About the textual format of the "Generic Version": The Generic Versions of these particular works are based mainly on literacy with certain key words having been replaced with there modern generic counterparts, and maybe even a handful of possible instances where there are Hebraic word transliterations. This particular version is intended for the purpose of teaching a person how to read the other versions including the "Literal English Version" (LEV), and the "Modern English Hebraic Version" (MEHV).

This Document is still in the middle of formatting changes, and I still have not figured out all of the details, however there may be more refinements

[THIS POEM STARTS ON THE NEXT PAGE]

All "Bible"/Scriptural Quotes that have been used in these works are "based" primarily off of the HS (HalleluYah Scriptures) Translation (I do not have any "direct" affiliation with the the HS Project) of the Old, and New Testament of which has had some restoration from the study of the Dead Sea Scrolls, and this being the main reason that I chose this version as a base for all quotes. Now before any one person reading this begin to hastily judge any of these works as being inadequate at some level, and before any person consider tossing them aside especially if you are a believer in the Most High, or otherwise. I would tell those of you people to first take the time to do a deep testing, and a thorough study analysis on them before you conform to any opposing decision, and also just as the INTRO Verse implies, upon reading these there will be a greater expectation for responsibility on the part of the reader in understanding the underlying power of the father who is **The LORD** through these works, and also in acceptance or rejection of them. What it really comes down to as far as the individual would be that which has been conformed through the determination of a person's acknowledgement by the of the intent of the heart that manifests into whatever given mind-set that may have been directed towards everything that a person does on the basis of our **LORD** the Creator's underlying control over all things, and his fully embedded purpose for all mankind as well as each person in there own right on a deeper individual level.

NOTE: I will not claim to be a perfect individual in the sense that I am on this earth as all other people are, or that I am some kind of old "Magical Prophet" with a strong forehead, long grey beard, or a staff like "Gandolf the Wizard" in fact I am just a human being like anyone else as all of the creator's servants throughout human history. If any one person reading this confirm an intentional effort in order to truly aspire, and to serve **The LORD**, or in other words to become a "willing" servant of the Most High El then none of us should consider ourselves to be any more or less than those that have come before us or who are to come in the future. All of the people that would be given a "legalistic" title of which can lead to emptiness whether you call them a "Prophet", "Saint", "Christian", "Messianic", "Servant of Yah", "A Believer of the Most High", "A Seer", and so forth meaning that everyone right down to your christian neighbor should consider themselves as an equal to all of these biblical figures as a true servant of GOD, and in general **The LORD** has designated all of mankind in being entirely equal as a whole through his overlooking eyes. All one would need to do is to conform to an impartial mindset, and that person will be set free from the mis-placing of other people whether placing them above or below ourselves of which is what people do because this really is only human nature. The main issue that I am referring to is the implimentation of "favoritism" by which can effect our level of understanding of the *Living Word* of which is the spirit of our **LORD**

[HIDDEN]

Our strength evades us!
Our strength is not ours!
Our strength does not come from us!
The strength of a man's body and spirit;
The **soul** of a man by whom it has been placed
The GOD who is **Lord** of all existing knowledge, and creation;
The LORD who has hidden the spirit of his omnipresence within all mankind
The truth of his power hidden in concealment within us through the ages of the world.
"The secret which has been hidden from ages and from generations, but now has been revealed to his **saints**"
The Lord Jesus Christ who is the bright messenger of his covenant, and eminence;
The covenant between all men for the ages through the generations of the earth.
The anointed **high priest** of his dwelling place, and keeper of his sanctuary;
The **holy** light of **life** that has been brought forth to all men by great compassion.
Jesus, The Lion of Judah, who is the direct image of the true wisdom of *The LORD*
so that a deep understanding of his **holiness** would be brought to all the sons of mankind;
The brazen image of *The LORD* who is enthroned in esteem above the high throne of his flaming spirit.
"It is the esteem of **God** to hide a matter, And the esteem of **kings** to search out a matter"
"So then search! Come to the knowledge of the truth, and awaken yourself!
Awaken to the light dwelling within the secret place of your own **soul**!"
The living breadth of all that exists, and all that shall be brought into existence;
All of the words that pour forth from his mouth as a rain storm of his countenance.
"The waters saw you, O **God**; The waters saw You, they were afraid; The depths also trembled. The clouds poured out water; The **heavens** rumbled; Also, Your arrows flashed back and forth. The voice of your thunder rolled along; Lightnings lit up the world; The earth trembled and shook."
The sound of his mighty voice that thunders amongst the clouds of **heaven**;
The thunderous echos that have pierced the earth with the trembling of his great power;
The lightning of his spirit piercing through the **soul** of a man as a remembrance to his great excellence.
"For whatever is hidden shall be revealed, and whatever is secret shall be made known, and come to light"
The truth that has been subdued within the **soul** of a man shall be set free as a beast in the wilderness by the powerful voice of a lion *The LORD* shall pierce deeply to the foundation of a man;
The mighty roar of *The LORD* piercing through the thick veil of darkness that covers him.
He who is the author of all mysteries, and the incredible secrets of the **heavens**, and earth!
He who is the great **holy** one, and overseer of all things that have been placed before men!
He who establishes his kind ones in **holiness** for the esteem of his glory; The glory of the *Most High God*!
"And to him, who is able to establish you according to my good news and the preaching of *Jesus Christ*, according to the revelation of the secret that has been kept silent since times of old, but now has been made manifest, and by Scripture of prophecy has been made known to all nations, according to the command of the *age-lasting God* for belief-obedience. To *The LORD*, wise alone, be the esteem, through *Jesus Christ* for the ages. **Amen**"
Jesus who is *The Lion of Judah*, and the roaring beast of his mighty voice; The mighty voice of *The LORD*!
The one who *The LORD* has appointed to declare the light to all mankind so that they shall all become sons of the brazen light in the power, and knowledge of his truth-filled righteousness.
The perpetual flame that dwells within all mankind that shall be revealed to those whom he has drawn to embrace his power; The immeasurable power that he has placed before us in his excellent might.
The LORD who has made known the hidden light of his presence to all mankind so that all peoples may acknowledge his power in the esteem of his great splendor; The acknowledgment of that power in the glory of his greatness.

[POWER]

Our strength evades us!
Our strength is not ours!
Our strength does not come from us!
The strength of a man's body, and spirit;
The **soul** of a man by whom it has been placed
The GOD who is **Lord** of all existing knowledge, and creation
The LORD who has brought forth the flesh of mankind from the ground beneath our feet
The spirit of a man that has been created perfect in the dwelling place of his **holiness**
by the pure spirit of living breath, and the only true **God** who is complete in all power, and perfection
He who is the manifestation of *The Holy Spirit*; The great eminence of his all-powerful spirit
The bright living word of fire is he who has created all things;
The brazen one that shines forth like polished brass under the scorching sun.
He who's spirit is like precious gold being melted from endless refinement in the heat of a smelter's furnace!
He who's dwelling place is beyond the veil of blinding inapproachable light!
He who has brought forth his son, and a gift to mankind!
Jesus, who is *The Lion of Judah*, and bright morning star by his father's strength;
The grand **angel** who's nature has been kindled by the hot flame of the spirit of *The LORD*;
The high standing beast that dwells within the righteous by the filling of his father's spirit
The LORD by the mediator of his immense power, will, and spirit;
His first-born son whom he has given the filling of his spirit without measure.
The Lion of Judah who is the mighty beast dwelling within all those that believe in he who is the breath of life;
All those that call upon *The LORD*, and father of creation in their distress
The powerful lion of light, and righteousness;
The over-powering beast of courage, and strength!
The one who has been brought forth by a fore-determination of promise;
The savior of all mankind from all unrighteousness
by the tremendous power of he who is in control of all things; *The LORD of Hosts* creator of the **heavens**, and earth.
He who's spirit is like a fiery double-edged sword as if kindled by all the stars of the **heavens**!
He who's spirit is like a bow of truthful precision with an arrow of flaming fire!
The ultimate weapon against all evil encircling around.
The striking down of wickedness as a shooting star in his righteous wake;
The piercing of darkness by exposure to radiant light!
He who's spirit is like a massive fortress of thick impenetrable rock set on fire!
He who's spirit is like a flaming shield of iron that no enemies can pass beyond!
The strong defense of the magnificent **holy** mountain that shall not be moved;
The burning hedge of *The Holy Spirit* that is surrounding the servant of **GOD**!
The LORD who is the protector of those that believe, and delight in him by the one who mediates the power of his spirit;
The extension of the word from his mouth, and a searing blade dropped upon a blacksmith's anvil, as the falling
of a comet, grasped within his hand
The Lion of Judah, and the great beast of righteousness dwelling within those that serve *The LORD of Hosts*;
The power of his blinding spirit, and the brilliance of *The God's* word of fire;
The light that burns brighter than the sun in the sky at midday!
The spirit by whom everything is made possible!
The spirit by whom can move mountains from there foundations!
The spirit by whom those that believe obtain unfathomable strength!
The strength to accomplish great feats incomprehensible to the natural mind of man,
and so by the wisdom of **GOD** comes a life lesson in the acknowledgment of his power.

~Amein ~Amein (The Dedication of the Dedicated)

[MORTAL]

Our strength evades us!
Our strength is not ours!
Our strength does not come from us!
The strength of a man's body, and spirit
The **soul** of a man by whom it has been placed
The **GOD** who is the **Lord** of all existing knowledge, and creation;
The **LORD** who has made us, and so therefore the strength of mankind belongs to him!
The limited strength of a man in the weakness, and futility of self-righteousness;
The overly-righteous one not seeking the **God** who is the beginning of his strength;
The sons of men bound by the weakness of bodily strength
"O **LORD** my **God**, allow that raging beast of your word to awaken in a flame
within me releasing that deep fire of your refined voice upon your servant!"
The strength of mankind's chains liberated of blind servitude
The **Lion of Judah** renewing those that have been submitted to oppression
by the filling of strength from his father's spirit being poured into his servants;
The light of strength that is breaking through the heavy chains of deep darkness.
He who delivers from the burden of a man's weakness!
He who is bringing him into limitless freedom!
He who opens the eyes of a blind man into the light of truth;
From the darkness of lies, and deception into his great power!
The bright living word of prevailing freedom;
The lamp that is illuminating, and directing a man's path.
The light that renders the power of death void by the bringing to life;
The bringing to life of all creation by the splendid spirit of fire, and trembling
"The fiery beast of unbreakable strength is on the rise! The brazen Lion of **The LORD** has arisen from his den!"
The **LORD** who makes the being of those that take refuge in him like an adamant rock with a brow harder than
pure diamond; A long life of trial in the refinement of character, and a great lake burning with the intense
flames of **The Holy Spirit** of which is the word of **The LORD** in great declaration.
"For you, O **God**, have proved us. You have refined us as silver is refined. You brought us into the net; You laid affliction
on our loins. You have let men ride at our head; We went through fire, and through water, but you brought us out to plenty."
Proving us in the length of our integrity!
Refining us as pure as silver in a furnace!
Afflicting us with hardship, and great distress!
Covering us with the water of renewal, and the fire of your spirit; The entire filling of your perfect image.
The impartial immersion of fire reserved for the testing of all mankind by the gleaming spirit of **The LORD** for the
subjection, and ascension of all things under the feet of the one who has been given the kingdom of glory to dwell
in equal brotherhood with the **angels** of the **heavens** of whom are **God's** by **The Holy Spirit**
The **LORD**, and father of all creation by the son of his loud searing roar; The earth shaking voice of a great lion!
The piercing call of immense trembling!
The noble fear of man on bended knee in respect!
The quaking voice in the reverence of The **God** and **Lord** who is **The LORD**!
The speediness of sound, and the secrets of all hidden **prophecy**!
"A lion has roared! Who is not afraid? **The Lord GOD** has spoken! Who would not **prophecy**?"
Jesus, the Lion of Judah, who is the upright beast that stands with those dwelling in righteousness
The **holy angel** of the presence, and strength of his father **GOD** who is the beginning of all creatures;
The **Almighty**, and **LORD of Hosts** who is the great **holy one** that dwells amongst the whole hosts of the **heavens**
The awesome hand of the only true **God** who is the source of all mankind's strength;
The **LORD** who has created all things to behold!
"The **LORD** be Esteemed on high! Esteem! Esteem! The binder's chains have been greatly shattered into emptiness!"
Praise The LORD all that which he has created, and delight in his presence; His presence
so that you shall receive great strength from his age-enduring spirit of peace!

NOTE: These web-links are subject to change, but unlikely to ever be changed. The ZIP archive for all written works is indefinitely subject to being **UPDATED**. The written works that I provide are also subject to text formatting improvements, and also fixing any possible issues with punctuation, misspelled words of which is possible, however I would usually manage to "perfect" the actual text (except for maybe a word conjunction) in general before publishing these online, and so on.

A message to all people that are curious about there being three different versions is that the reason for this is to make so to speak a three step ladder (This one being the bottom step) in order to make it easier for people to understand the original of which I call the "Modern English Hebraic Version" (MEHV,) which is the top of the ladder, and the "Literal English Version" (LEV) being the middle of the step ladder. The higher that you go up the ladder the more deeply that you will be able to understand the wisdom of **יְהוָה** by the Ruach ha' Qodesh (*The Holy Spirit*), and this being said the prayers I actually do there formatting a little differently to fill in the gaps between the Poem Versions including the LEHV (Literal English Hebraic Version) of which is the Original formatting style for the prayers.

PLEASE UNDERSTAND I PERSONALLY DO NOT RECOMMEND THIS VERSION AS A PERMANENT READ, BUT RATHER IT IS INTENDED FOR THE PURPOSE OF GIVING PEOPLE THE MEANS TO TAKE THERE FIRST STEP UP THE LADDER IN ORDER FOR THEM TO BE ABLE TO READ THE OTHER VERSIONS FOR AN EVEN GREATER UNDERSTANDING.

"In order for anyone to proceed there needs to be an intentional acknowledgment on the furrow of the brow in order that **יְהוָה** initiate a change in that person"

ADDED NOTICE: These works are free to distribute to whomever you want in whatever way that you want because "*The Lion Writer*" (Joel, but Technically **יְהוָה**) has given **100% FULL PERMISSION** without a single copyright restriction towards any person who would like to share them, and also if you want the better print quality versions of these PDF's if you have not downloaded them already then you will need to download the All_Written_Works_(brazenlion.com).zip file located on the link above, or on the pages for the where the written works are displayed. The Viewable PDF's are @Low Resolution (300 dpi), and Medium JPEG Quality, and the better quality ones are @High Resolution (2400 dpi), and High JPEG Quality.
