About the textual format of the “Literal English Version”: The Literal English Versions of these particular works are based purley on literacy as it is within the ability of the writer to do so, and maybe even a handful of possible instances where there are Hebraic word transliterations. This particular version is intended to be the second step for the purpose of teaching a person how to read the “Modern English Hebraic Version” (MEHV), and to also anyone camn read as your regular if you would like to do so.

This Document is still in the middle of formatting changes, and I still have not figured out all of the details, however there may be more refinements

[THIS POEM STARTS ON THE NEXT PAGE]

All “Bible”/Scriptural Quotes that have been used in these works are “based” primarily off of the HS (HalleluYah Scriptures) Translation (I do not have any “direct” affiliation with the the HS Project) of the Old, and New Testament of which has had some restoration from the study of the Dead Sea Scrolls, and this being the main reason that I chose this version as a base for all quotes. Now before any one person reading this begin to hastily judge any of these works as being inadequate at some level, and before any person consider tossing them aside especially if you are a believer in the Most High, or otherwise. I would tell those of you people to first take the time to do a deep test, and thorough study analysis on them before you conform to an opposing decision, and also just as the INTRO Verse implies, upon reading these there will be a greater expectation for responsibility on the part of the reader in understanding the underlying power of the father YHWH through these works, and also in acceptance or rejection of them. What it really comes down to as far as the individual would be that which has been conformed through the determination of a person’s acknowledgement by the of the intent of the heart that manifests into whatever given mind-set that may have been directed towards everything that a person does on the basis of YHWH the Creator’s underlying control over all things, and his fully embedded purpose for all mankind as well as each person in there own right on a deeper individual level.

NOTE: I will not claim to be a perfect individual in the sense that I am on this earth as all other people are, or that I am some kind of old “Magical Prophet” with a strong forehead, long grey beard, or a staff like “Gandolf the Wizard” in fact I am just a human being like anyone else as all of the creator’s servants throughout human history. If any one person reading this confirm an intentional effort in order to truly aspire, and to serve YHWH, or in other words to become a “willing” servant of the Most High El then none of us should consider ourselves to be any more or less than those that have come before us or who are to come in the future. All of the people that would be given a “legalistic” title of which can lead to emptiness whether you call them a “Prophet”, “Saint”, “Christian”, “Messianic”, “Servant of Yah”, “A Believer of the Most High”, “A Seer”, and so forth meaning that everyone right down to your christian neighbor should consider themselves as an equal to all of these biblical figures as a true servant of Yah, and in general יהוה has designated all of mankind in being entirely equal as a whole through his overlooking eyes. All one would need to do is to conform to an impartial mindset, and that person will be set free from the mis-placing of other people whether placing them above or below ourselves of which is what people do because this really is only human nature. The main issue that I am referring to is the implimentation of “favoritism” which can effect our level of understanding of the *Living Word* of which is the spirit of YHWH.

[HIDDEN]

Our strength evades us!

Our strength is not ours!

Our strength does not come from us!

The strength of a man's body and spirit;

The being of a man by whom it has been placed

Yah the master of all existing knowledge, and creation;

YHWH who has *hidden* the spirit of his omnipresence within *all mankind*

The *truth of his power hidden in concealment* within us through the *ages of the world*.

“The *secret* that has been *hidden* from *ages* and from *generations*, but now has been *revealed* to his sanctified ones”

The Master **Yahushuah** *The Messiah*, who is the bright messenger of his covenant, and eminence;

The covenant between *all men* for the *ages* through the *generations of the earth*.

The anointed *great chief administer* of his dwelling place, and the *keeper* of his sanctuary;

The *sanctified light of life* that has been *brought forth* to *all men* by great compassion.

Yahushuah, *The Lion of Yahudah*, who is the *direct image* of the *true wisdom of YHWH*

so that a deep understanding of his sanctification would be brought to all the sons of mankind;

The *brazen image of YHWH* who is *enthroned in esteem* above the *high throne* of his *blazing spirit*.

“It is the esteem of *The Mighty One* to *hide* a matter, And the esteem of sovereigns to *search* out a matter”

“So then search! Come to the *knowledge of the truth*, and awaken yourself!

Awaken to the light dwelling within the *secret place* of your own *being!*”

The *living breadth* of all that exists, and all that will be brought into existence;

All of the words that *pour forth* from his mouth as a *rain storm* of his *countenance*.

“The waters saw you, *O Mighty One*; The waters saw You, they were afraid; The depths also trembled. The clouds poured out water; The dry wind over the waters of the land, and the elevated sky above rumbled; Also, Your arrows flashed back and forth. The voice of your thunder rolled along; Lightings lit up the world; The earth trembled and shook.”

The *sound of his mighty voice that thunders* amongst the clouds of the dry wind over the waters of the land, and the elevated sky above;

The *thunderous echos* that have pierced the earth with the trembling of his *great power*;

The *lightning of his spirit* piercing through the being of a man as a remembrance to his *great excellence*.

“For whatever is *hidden* will be *revealed*, and whatever is *secret* will be *made known*, and come to light”

The *truth* that has been *subdued* within the *being of a man* will be set free as a *beast in the wilderness*

by the *powerful voice of a lion YHWH* will pierce deeply to the *foundation of a man*;

The *mighty roar of YHWH* piercing through the *thick veil of darkness* that covers him.

He who is the *author of all mysteries*, and the *incredible secrets* of the dry wind over the

waters of the land, and the elevated sky above the earth!

He who is the *great sanctified one*, and *overseer* of all things that have been placed before men!

He who *establishes* his kind ones in sanctification for the *esteem of his glory*; The glory of *The Most High Mighty One!*

“And to him, who is able to *establish* you according to my *good news* and the preaching of **Yahushuah** *The Messiah*, according to the *revelation of the secret* that has been *kept silent* since times of old, but now has been *made manifest*, and by the Scripture of instruction of the seers spoken words has been *made known to all nations*, according to the command of the age-lasting *Mighty One* for belief-obedience. To, **YHWH** wise alone, be the esteem, through **Yahushuah** *The Messiah* for the ages. Amen”

Yahushuah who is *The Lion of Yahudah*, and the *roaring beast* of his *mighty voice*; The *mighty voice of YHWH!*

The one who **YHWH** has *appointed* to declare the light to all mankind so that they will all become *sons of the brazen light* in the *power*, and *knowledge* of his *truth-filled righteousness*.

The *perpetual flame* that *dwells* within all mankind that will be *revealed* to those whom

he has drawn to *embrace his power*; The *immeasurable power* that he has placed before us in his *excellent might*.

YHWH who has *made known the hidden light* of his presence to all mankind so that *all peoples may acknowledge*

his power in the *esteem of his great splendor*; The *acknowledgment of that power* in the *glory of his greatness*.

[POWER]

Our strength evades us!

Our strength is not ours!

Our strength does not come from us!

The strength of a man's body, and spirit;

The being of a man by whom it has been placed

Yah the master of all existing knowledge, and creation

YHWH who has brought forth the flesh of mankind from the ground beneath our feet

The spirit of a man that has been created perfect in the dwelling place of his sanctification

by the pure spirit of living breath, and the only true *Mighty One* who is complete in all power, and perfection

He who is the manifestation of the *sanctified spirit*; The great eminence of his *all-powerful spirit*

The *bright living word of fire* is he who has created all things;

The *brazen one* that shines forth like polished brass under the scorching sun.

He who's spirit is like *precious gold* being melted from endless refinement in the heat of a smelter's furnace!

He who's dwelling place is beyond the veil of blinding inapproachable light!

He who has brought forth his son, and a gift to mankind!

Yahushuah who is *The Lion of Yahudah*, and bright morning star by his father's strength;

The *grand messenger* who's nature has been kindled by the hot flame of the spirit of **YHWH**;

The *high standing beast* that dwells within the righteous by the filling of his father's spirit

YHWH by the *mediator* of his immense power, will, and spirit;

His first-born son whom he has given the filling of his spirit without measure.

The Lion of Yahudah who is the mighty beast dwelling within all those that believe in he who is the *breath of life*;

All those that call upon **YHWH** the father of creation in their distress

The *powerful lion* of light, and righteousness;

The *overpowering beast* of courage, and strength!

The one who has been brought forth by a pre-determination of promise;

The *savior of all mankind* from all unrighteousness

by the *tremendous power* of he who is in control of all things; **YHWH** of Hosts the creator of the dry wind over the waters of the land, and the elevated sky above the earth. He who's spirit is like a *fiery double-edged sword* as if ignited by all the stars of the dry wind over the waters of the land, and the elevated sky above!

He who's spirit is like a *bow of truthful precision* with an arrow of blazing fire!

The *ultimate weapon* against all evil encircling around.

The *striking down of wickedness* as a shooting star in his righteous wake;

The *piercing of darkness* by exposure to radiant light!

He who's spirit is like a *massive fortress* of thick impenetrable rock set ablaze!

He who's spirit is like a *flaming shield of iron* that no enemies can pass beyond!

The *strong defense* of the magnificent sanctified mountain that shall not be moved;

The *burning hedge* of the sanctified spirit that is surrounding the servant of **Yah**!

YHWH the protector of those that believe, and delight in him by the one who mediates the power of his spirit;

The extension of the word from his mouth, and a searing blade dropped upon a blacksmith's anvil, as the falling of a comet, grasped within his hand.

The Lion of Yahudah, and the great beast of righteousness dwelling within those that serve **YHWH** of Hosts;

The power of his blinding spirit, and the brilliance of the *Mighty One's* word of fire;

The light that burns brighter than the sun in the sky at midday!

The spirit by whom everything is made possible!

The spirit by whom can move mountains from there foundations!

The spirit by whom those that believe obtain *unfathomable strength*!

The strength to accomplish *great feats* that are incomprehensible to the natural mind of man,

and so by the *wisdom of Yah* comes a life lesson in the *acknowledgment of his power*.

[MORTAL]

Our strength evades us!

Our strength is not ours!

Our strength does not come from us!

The strength of a man's body, and spirit

The being of a man by whom it has been placed

Yah the master of all existing knowledge, and creation;

YHWH who has made us, and so therefore the *strength of mankind* belongs to him!

The *limited strength* of a man in the weakness, and futility of self-righteousness;

The overly-righteous one not seeking the *Mighty One who is the beginning of his strength*;

The sons of men bound by the *weakness of bodily strength*

"O **YHWH** my *Mighty One*, allow that raging beast of your word to awaken ablaze within me releasing that deep fire of your refined voice upon your servant!"

The strength of mankind's chains liberated of blind servitude

The Lion of Yahudah renewing those that have been submitted to oppression

by the filling of strength from his father's spirit being poured into his servants;

The *light of strength* that is breaking through the heavy chains of deep darkness.

He who delivers from the burden of a man's weakness!

He who is bringing him into *limitless freedom*!

He who opens the eyes of a blind man *into the light of truth*;

From the darkness of lies, and deception *into his great power*!

The *bright living word* of prevailing freedom;

The *lamp* that is illuminating, and directing a man's path.

The *light* that renders the power of death void by the bringing to life;

The *bringing to life* of all creation by the splendid spirit of fire, and trembling

"The *fiery beast of unbreakable strength* is on the rise! *The Brazen Lion of YHWH* has arisen from his den!"

YHWH who makes the being of those that take refuge in him like an *adamant rock* with a brow harder than pure diamond; A long life of trial in the refinement of character, and a great lake burning with the intense flames of the *sanctified spirit* of which is the word of **YHWH** in great declaration.

"For you, O *Mighty One*, have proved us. You have refined us as silver is refined. You brought us into the net; You laid affliction on our loins. You have let men ride at our head; We went through fire, and through water, but you brought us out to plenty."

Proving us in the length of our integrity!

Refining us as pure as silver in a furnace!

Afflicting us with hardship, and great distress!

Covering us with the water of renewal, and the fire of your spirit; The entire filling of your perfect image. The impartial

immersion of fire reserved for the testing of all mankind by the gleaming spirit of **YHWH** for the subjection, and ascension

of all things under the feet of the one who has been given a reign of glory to dwell in equal brotherhood with the

messengers of the dry wind over the waters of the land, and the elevated sky above who are *Mighty One's* by the *sanctified spirit*

YHWH the father of all creation by the son of his loud searing roar; The earth shaking voice of a great lion!

The piercing call of immense trembling!

The noble fear of man on bended knee in respect!

The quaking voice in the reverence of *The Mighty One, and Master YHWH*!

The speediness of sound, and the secrets of all hidden instruction of the seers spoken words!

"A lion has roared! Who is not afraid? The Master **YHWH** has spoken! Who would not instruct the seers spoken words?"

Yahushuah, *The Lion of Yahudah*, who is the upright beast that stands with those dwelling in righteousness

The sanctified messenger of the presence, and strength of his father **YHWH** who is the beginning of all creatures;

The Almighty YHWH of Hosts who is the great sanctified one that dwells amongst the whole hosts of the

dry wind over the waters of the land, and the elevated sky above.

The awesome hand of the only true *Mighty One* who is *the source of all mankind's strength*;

YHWH who has created all things to behold!

"**YHWH** be Esteemed on high! Esteem! Esteem! The binder's chains have been greatly shattered into emptiness!"

Praise YHWH all that which he has created, and delight in his presence; His presence

so that you will receive *great strength* from his *age-enduring spirit of peace*!

NOTE: These web-links are subject to change, but unlikely to ever be changed. The ZIP archive for all written works is indefinitely subject to being **UPDATED**. The written works that I provide are also subject to text formatting improvements, and also fixing any possible issues with punctuation, misspelled words of which is possible, however I would usually manage to "perfect" the actual text (except for maybe a word conjunction) in general before publishing these online, and so on.

A message to all people that are curious about there being three different versions is that the reason for this is to make so to speak a three step ladder (This one being in the middle) in order to make it easier for people to understand the original of which I call the "Modern English Hebraic Version" (MEHV), and the Generic Version (GV) being the bottom of the step ladder. The higher that you go up the ladder the more deeply that you will understand the wisdom of **רוח הקודש** by the Ruach ha' Qodesh (Holy Spirit), and this being said the prayers I actually do there formatting a little differently to fill in the gaps between the Poem Versions including the LEHV (Literal English Hebraic Version) of which is the Original formatting style for the prayers.

"In order for anyone to proceed there needs to be an intentional acknowledgment on the furrow of the brow in order that **רוח הקודש** initiate a change in that person"

ADDED NOTICE: These works are free to distribute to whomever you want in whatever way that you want because "*The Lion Writer*" (Joel, but Technically **רוח הקודש**) has given **100% FULL PERMISSION** without a single copyright restriction towards any person who would like to share them, and also if you want the better print quality versions of these PDF's if you have not downloaded them already then you will need to download the All_Written_Works_(brazenlion.com).zip file located on the link above, or on the pages for the where the written works are displayed. The Viewable PDF's are @Low Resolution (300 dpi), and Medium JPEG Quality, and the better quality ones are @High Resolution (2400 dpi), and High JPEG Quality.
