About the textual format of the "Modern English Hebraic Version": The Modern English Hebraic Versions of these particular works are based mainly on literacy with certain key Hebraic words being interchanged in various different places with the more literal counterparts as well as a small handful of modern generic terms to reduce the overall reading difficulty somewhat. This particular version is intended for the purpose of teaching a person the deeper wisdom of Yah, and to allow his work to shine through us all to a greater degree.

This Document is still in the middle of formatting changes, and I still have not figured out all of the details, however there may be more refinements

[THIS POEM STARTS ON THE NEXT PAGE]

All "Bible"/Scriptural Quotes that have been used in these works are "based" primarily off of the HS (HalleluYah Scriptures) Translation (I do not have any "direct" affiliation with the the HS Project) of the Old, and New Testament of which has had some restoration from the study of the Dead Sea Scrolls, and this being the main reason that I chose this version as a base for all quotes. Now before any one person reading this begin to hastily judge any of these works as being inadequate at some level, and before any person consider tossing them aside especially if you are a believer in the Most High, or otherwise. I would tell those of you people to first take the time to do a deep test, and thorough study analysis on them before you conform to an opposing decision, and also just as the INTRO Verse implies, upon reading these there will be a greater expectation for responsibility on the part of the reader in understanding the underlying power of the father יהוה through these works, and also in acceptance or rejection of them. What it really comes down to as far as the individual would be that which has been conformed through the determination of a person's acknowledgment by the of the intent of the heart that manifests into whatever given mind-set that may have been directed towards everything that a person does on the basis of יהוה the Creator's underlying control over all things, and his fully embedded purpose for all mankind.

NOTE: I will not claim to be a perfect individual in the sense that I am on this earth as all other people are, or that I am some kind of old "Magical Prophet" with a strong forehead, long grey beard, or a staff like "Gandolf the Wizard" in fact I am just a human being like anyone else as all of the creator's servants throughout human history. If any one person reading this confirm an intentional effort in order to truly aspire, and to serve יהוה, or in other words to become a "willing" servant of the Most High El then none of us should consider ourselves to be any more or less than those that have come before us or who are to come in the future. All of the people that would be given a "legalistic" title of which can lead to emptiness whether you call them a "Prophet", "Saint", "Christian", "Messianic", "Servant of Yah", "A Believer of the Most High", "A Seer", and so forth meaning that everyone right down to your christian neighbor should consider themselves as an equal to all of these biblical figures as a true servant of Yah, and in general יהוה has designated all of mankind in being entirely equal as a whole through his overlooking eyes. All one would need to do is to conform to an impartial mindset, and that person will be set free from the mis-placing of other people whether placing them above or below ourselves of which is what people do because this really is only human nature. The main issue that I am referring to is the implimentation of "favoritism" which can effect our level of understanding of the *Living Word* of which is the ruah of יהוה.

[REBUKE]

Away with you evil mysteries!
Away with you darkened plague!
Away with you crushing oppression!
Away with you ancient spell of mankind's transgression!
Away with you all abominable deeds that reside under the sun!
Away with you angry whisperer's of the flaming tongue!
Away with you watchful eye of the wicked one!
Do not tread on me you deadly enemies of the living proverb!
Away with you! You evil avengers who are enclosed like a lion's teeth all-around against the adamant encampments, and the blackened peaks of Mount Tsyion; The Qodesh Mishkan of the high, and lofty one for His all-seeing eye of fervid zeal is upon you, and upon us all!
Away with you terrible envoy that practices deep destruction for your time is imminent!
"These are the demons, and the prince of enmity!"
"Stand back! Do not draw near to the qodesh dwelling of יהוה El Shaddai who is the Most High over all of the Stars of the Shamayim, and all the Earth for my expectation is in the name of he who sits upon the throne of his majestic countenance, and he will return his righteous right-rulings back onto the hairy scalp of him who continually walks in the destructive path of idleness, and of there own disobedient ways!
"Remain Silent! Remain Still, and go out of this place without any trouble for you will not touch the qodesh Word of יהוה the Most High Elah who's spirit burns with great expectation for all the sons of adam, and the bending of the knees in adoration before his loving presence in order to bring forth the healing nebuah to the earth, and all of the inhabitants of the world at there appointed times by Master Yahushuah Ha' Mashiach who is the first-born ben of all creation, and the one who stands before him with all-authority as His appointed sovereign over all of his creations! Halleluyah! Praised, and highly exalted be the father who has created all life, and also the early beginnings of men!

ALL REMEMBER: No Man is Perfect in the Flesh of there body of which does imply that they are prone to mistakes, and even though the ultimate Goal / Expectation is to be 100% accurate with such things a human being is still a human being like any other.

ALL OF MANKIND ARE NOT EXEMPT OF THIS RULE NO MATTER WHO THEY ARE!

ONE NEEDS TO ASK THEMSELVES AM I *STILL* IN EXEMPT FROM THIS RULE?!

UNLESS MAN BELIEVES THE GREAT LIE, BUT WHAT IS MAN WITHOUT HUMILITY?!

IT IS WHAT IT IS, AND THE ONE TRUE CREATOR IS HE OF WHOM DOES NOT CHANGE.!

NOT A MAN, AND NOT THE NATURAL FLESH OF MANKIND! A MAN IS A MAN REGARDLESS!

CONFIRMATION: YAH IS ALL, AND ALL IS HE. HE WHO IS, WAS, AND ALWAYS WILL BE.

NOTE: These web-links are subject to change, but unlikely to ever be changed. The ZIP archive for all written works is indefinitely subject to being **UPDATED**. The written works that I provide are also subject to text formatting improvements, and also fixing any possible issues with punctuation, misspelled words of which is possible, however I would usually manage to "perfect" the actual text (except for maybe a word conjunction) in general before publishing these online, and so on.

A message to all people that are curious about there being three different versions is that the reason for this is to make so to speak a three step ladder (This one being on the top) in order to make it easier for people to understand the original of which I call the "Modern English Hebraic Version" (MEHV), and the "Literal English Version" (LEV) being the middle of the step ladder. The higher that you go up the ladder the more deeply that you will understand the wisdom of יהוה by the Ruach ha' Qodesh (Holy Spirit), and this being said the prayers I actually do there formatting a little differently to fill in the gaps between the Poem Versions including the LEHV (Literal English Hebraic Version) of which is the Original formatting style for the prayers.

"In order for anyone to proceed there needs to be an intentional acknowledgment on the furrow of one's brow in order that יהוה initiate a change in that person"
